

BERRY-LACED ICE CUBES

Cool off with these flavor-packed cubes that are the perfect addition to water. Water is the best way to hydrate and can be simply done with the yumminess of these berry ice cubes!

ALL YOU NEED:

- ½ cup blueberries
- ½ cup of strawberries, sliced
- Ice Cubes Trays

ALL YOU DO:

1. Add fresh blueberries or strawberry slices to ice cube tray wells.
2. Fill with water and freeze for 4 hours or until fully frozen.
3. Add the cubes to your next glass of water.
