# BUILD YOUR OWN:

HyVee.

## KIDSFIT ADVENTURE BOARD GAME

1

### Design Your Game Board

Each player can use their own game board to customize their adventure!

Fill in your towns name in the blank under the Hy-Vee Store! Next draw your 2 favorite places to be active in the empty boxes!

2

### Create Your Adventure!

Cut out all of the game tiles and glue them onto your game board in a path. You can glue them in any order you want just make sure to start at the KidsFit logo, pass through your favorite places to play and finish at the Hy-Vee Store!

Next design your game piece and cut it out! You can draw yourself, write your name or draw your favorite health icon!

3

### PLAY with your family & friends!

Use any 6-sided die to place. The KidsFit dice will work if you don't have one on hand.

Draw a PLAY card every time you land on a blue tile! Complete 10 reps of the movement.

Draw an EAT card every time you land on a yellow tile! Name the correct food group.

Draw a LEARN card every time you land on a red tile! Answer the trivia question.

If you land on a gray tile, the person to your left draws any card for you!

THE FIRST PLAYER TO HY-VEE WINS!
