▶▶▶ (HEERIO DOMINO MATH) ▶▶▶

Count the cheerios on each side of the domino and write the number in the blanks below. Then complete the math equation and write your answer in the plate.

$$\underline{1} + \underline{4} = \text{plate with } 5$$

$$\underline{5} - \underline{3} = \text{plate with } 2$$

$$\underline{3} + \underline{6} = \text{plate with } 9$$

$$\underline{6} - \underline{2} = \text{plate with } 4$$

$$\underline{4} - \underline{3} = \text{plate with } 1$$

$$\underline{2} + \underline{6} = \text{plate with } 8$$

$$\underline{1} + \underline{5} = \text{plate with } 6$$

$$\underline{2} - \underline{1} = \text{plate with } 1$$

$$\underline{5} + \underline{1} = \text{plate with } 6$$

$$\underline{5} - \underline{2} = \text{plate with } 3$$

$$\underline{6} + \underline{3} = \text{plate with } 9$$

$$\underline{4} - \underline{4} = \text{plate with } 0$$
