ALL YOU DO:

1. Cut celery into sticks that are 3-4 inches long. Spread peanut butter along the center of the stalk, filling it up like a boat.
2. Break a pretzel twist in half and add both pieces to the top of the celery stick to form the reindeer's antlers.
3. Add two candy googly eyes below the antlers (using the peanut butter as a glue) and one fresh cranberry below the eyes for the reindeer's nose. ENJOY!
